## ART GALLERY

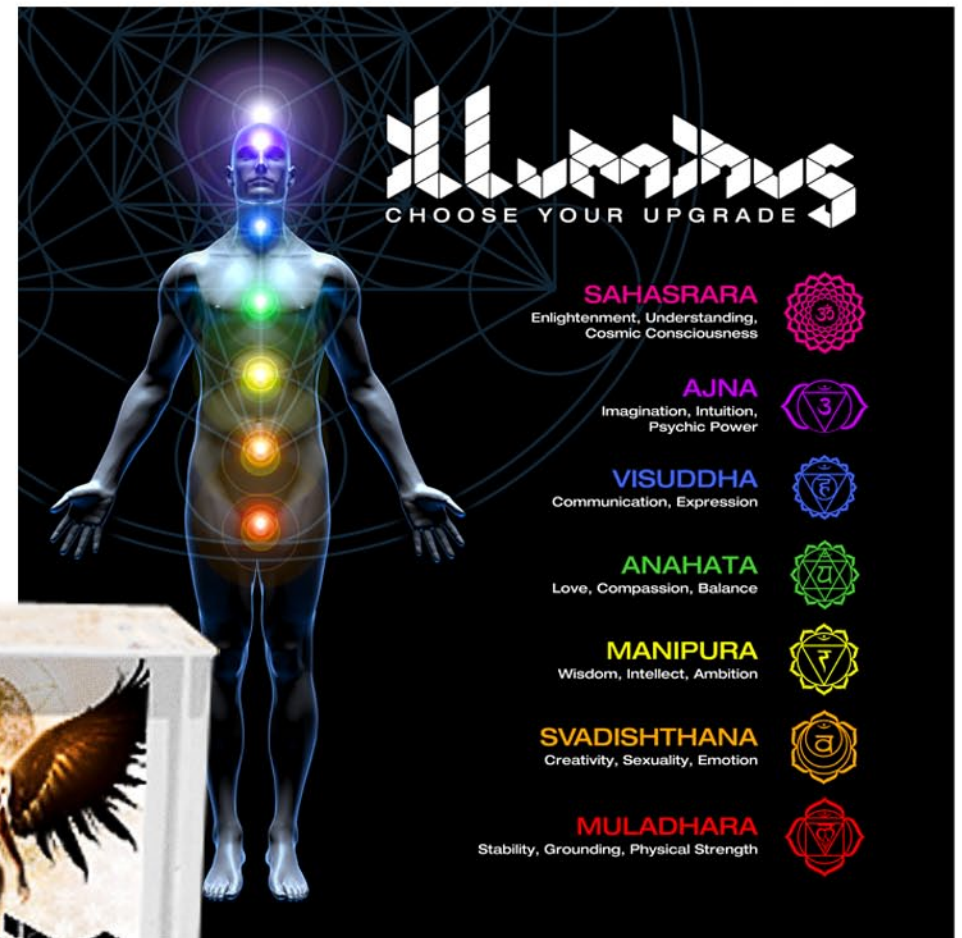

inside the pyramid will be a rotating collection of art  
by camp members, printed on vinyl banners.

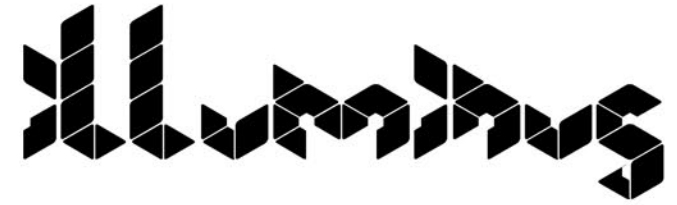

## THE BAR / CHAKRA SHOTS

an electro-kinetic device charges a shot of vodka with energy from crystals specially chosen by the participant. this is the camp's specialty drink. signage changes depending on whether the bar is open or not.

## PROMOTING THE CAMP

camp members will be given silver tyvek wristbands to distribute to people they meet, each containing our address and event calendar. events are open to everyone; the wristbands are just to help people remember the details.
